... RESISTANCE

MAY 19, 2003

Third World Within Presents:
A Day of RECRUITMENT FOR JUSTICE

**Join Us ... Weapons of Mass Resistance
Resist War, Occupation, and Racism**

**42nd Street and Broadway
Military Recruitment Island
Monday, May 19.
4pm**

Monday. May 19 is the birthday of Malcolm x and other freedom fighters. On this day, we celebrate Malcolm's legacy as a war resistor.

In honor of Malcolm, communities of color from around the city will come together to participate in a "recruitment and registration for justice" at Times Square. For young people it's an alternative to military recruitment. For immigrants, it's a way to resist the racist "Special Registration" of the INS. For all of us, it's a chance to say "no" to war, occupation, and racism.

On May 19, register to be part of a new movement for for justice!
Weapons of Mass Resistance.

Induction ceremonies begin at 4pm sharp
